Dr. Chamberlain

Re: Revision of NSCIDs 2 and 8

Propose the following changes in the drafts provided to you yesterday:

1. NSCID-2

- a. Concur in dropping "coordination of" from the title.
- b. In the preamble after the word "amended" in the fifth line, add "and Section 3(a)(2) of Executive Order 11905."
- c. Non-concur in the proposal to put quotes from the E0 in italics -- unnecessary given the inclusion of the reference to the E0 proposed above.
- d. Concur in the proposal to delete "abroad" in line 6 of paragraph 5 and to add "abroad" after "collection" in line 10 of paragraph 5.
- e. Concur in the proposal to delete paragraph 6 of the draft (paragraph 5 of the present NSCID) as it conflicts with the responsibilities of the DCI in paragraph 1. A statement may be needed that would explain this proposal deletion to the NSC.
- f. Concur in the proposal to transfer paragraph 7 to DCID 2/1 as this is a DCI function.
- g. Concur in the proposal to delete "in accordance with... Intelligence" in the fourth line of paragraph 8. Replace with a new sentence: "Other Intelligence Community components may conduct such exploitation in accordance with policies, procedures, and practices established by the Director of Central Intelligence."
- h. Concur in the proposed rewording of the second and third lines of paragraph 9 to read "...monitoring of foreign radio and television broadcasts and foreign press services...."

1. Contrary to other proposals to delete the second sentence in paragraph 10, suggest that it be retained to require the DCI to coordinate CIA's publications exploitation activities with those of other Intelligence Community components, non-IC elements of the U.S. government engaged in this activity (e.g., National Library of Medicine, Department of Agriculture, Library of Congress, etc.), and private firms to reduce unwarranted duplication of effort.

2. NSCID 8

a. Suggest that "and Section 3(a)(2) of Executive Order 11905" be added after "amended" in line four of the preamble.

b. Suggest that the term "organizations of the Intelligence Community" be substituted for the term "departments and agencies of the Intelligence Community" as proposed in DCI/IC-76-1243 as a change to paragraphs 1, 1b, 2a(2), and 3. This would be consistent with the definition of the Intelligence Community in Sec. 2(b) of the E.O. and with the fact that there are no "departments" as such within the Intelligence Community.

c. Concur with the proposal to reword the first sentence of paragraph 2a(2): "The Central Intelligence Agency and the Department of Defense shall jointly provide appropriate personnel and other support for NPIC, as agreed by them."

d. Suggest that "...of United States...commands simultaneously..." in lines three and four of paragraph 2b be replaced, for clarity, with "of Intelligence Community organizations, military commands, and other departments and agencies simultaneously."

MEMORANDUM FOR: Associate Deputy Director for Operations

SUBJECT: Comments on NSCID No. 2

1. Add to paragraph one: "Overt collection abroad should be coordinated with the Department of State or the U.S. Chief of Mission." Delete from paragraph five the final clause: "and provided that any such overt collection abroad is coordinated with the Department of State or with the U.S. Chief of Mission."

2. We have no problems with NSCID No. 8, as it does not impact on the DDO.
